Films on Demand is Working

The difficulties we were having earlier this semester with Films on Demand have been ironed out. As you are planning your syllabi for next semester please integrate Films on Demand videos into your courses.

Films on Demand Instructions - Reminder

Films on Demand can be accessed from the Library website - library.ship.edu. Choose "Library Databases A-Z." Choose the "F" tab and then "Films on Demand." The database can be Browsed by Subject. An Advanced Search is also available.

To see a sample video, click the following for a segment from the collection about Library Research http://digital.films.com/PortalPlaylists.aspx?aid=8049&xtid=40414&loid=65155

Watch for another Library Alert regarding Films on Demand in January.

If you have any questions please contact Aaron Dobbs for further information.
